Portfolio: hamzamushtaq-dev.github.io | **LinkedIn:** linkedin.com/in/hamzamushtaq-dev

PROFESSIONAL SUMMARY

Senior WordPress & Shopify Developer with 6 years of experience building websites and e-commerce stores from scratch to launch for local and international clients. Experienced in leading development teams and managing client communication. Skilled in Figma and HTML to WordPress conversion, responsive design and speed optimization.

PROFESSIONAL EXPERIENCE

WordPress & Shopify Developer **12/2020 – Present**

CodeAge Pvt Ltd, Bahria Town Phase 7, Rawalpindi

- Develop WordPress and Shopify websites from scratch to launch, handling the complete process including development, testing and deployment.
- Lead the development team: assign tasks, guide developers, review their work and manage deadlines.
- Deal directly with clients: understand their requirements, share regular progress updates, and handle revisions until final approval.
- Set up and customize Shopify stores, including themes, product listings and store configuration.
- Build custom WordPress and WooCommerce websites from Figma and HTML designs, customizing themes and plugins.
- Optimize website speed and ensure full responsiveness across all devices.
- Manage hosting setup, cPanel, website migrations and technical fixes.

Intern, WordPress & Shopify Development **09/2020 – 11/2020**

CodeAge Pvt Ltd, Rawalpindi

- Assisted in WordPress and Shopify website development; offered a full-time position on completion.
